Total Approx. Tax 3.31223%

2025 HOA Fees:

\$1,200

YCFC is funded through fees (.5% of the sales price of the home) collected at each closing. As a deed covenant, each time a property is re-sold, a contribution is once again made to YCFC. Hence, as YCFC grows— so does Jubilee. YCFC funds help create a profound sense of community, above and beyond the boundaries of a traditional community association, through the sponsorship of unique programs, activities, and enhancements in and around all JDC communities.
